No 4245, dated 27 3 08

Requests the re-submission of the Estimate for Rs 1825/- for the construction of a Rest House on at the Henagiri Hill, Krishnarajpet Taluk, together with the Treasury Certificate for the exact amount collected during the Jatra of 1908 and for the balance available at the credit of the Sri Venkataramanaswami temple at the place.

The Deputy Commr, Mysore District
No 182, dated 9th December 1908.

Reports that the collections made during the Jatra were Rs 925 (Rs 850 as toll and Rs 75 as the sale proceeds of manure), and that the Instn had at its credit Rs 2,906-4-2, on the 1st July 1908, and submits Treasury Certificates therefor and also the Estimate for Rs 1825/-

Subd for orders.

Vd 8/1/09 Henagiri is a pleasant place on the banks of the Hemavati about six miles from Krishnarajpet - A rest-house there will be a boon to pleasure-seekers; but I am not sure that it will in any way benefit the Temple. We may provide a Car or erect the Gopuram and contribute to the services. The DC can do nothing but a rest house is necessary

Sir, Adverting to your letter no. 156 d/25th Sept. 07 submitting for sanction an Estimate amounting to Rs. 1860 for constructing a rest house near the Hemagiri Hill in the Krishnarajpet Taluk, I am directed to observe that while there is only a sum of Rs. 1961-8-11 at the credit of the Sri Venkataramanaswamy

temple at the place, a portion of it will have to be sanctioned towards the Cost of prizes & other charges incidental to the organization of the cattle show sanctioned in Govt Ro. No. 5285-9 Dy 6 to L. B 390-06-4 December 1907. It is therefore not quite clear as to how much will be actually available out of the temple funds for the purpose of constructing the Rest House. Besides, Govt sanction to the permanent

very of year on cattle brought for sale at the place, has not yet been conveyed. Before sanctioning the Estimate received with your letter under reply a further full report is required on the following.

1. What is the average annual income to the temple out of the fees realized from cattle owners
2 - What is the actual cost of expenditure
3 How much will be probably saved every year.
4. Is the temple itself

in good order.

5. Is the construction of the Rest House very urgently & necessarily required.

6 Should not the Estimate & Plan be checked by a competent D.P.W. Officer.

7. What is the time of the Jatra?

2 The favour of a detailed report on the above is requested.

3. The enclosures are retd for reference & return
